

Port and Town Co-sponsor Food Drive

12 November 2020

Port of Argentia and Town of Placentia have teamed up to sponsor a food drive in support of the Placentia Area Food Bank, hosting a “Walk, Hike and Donate” food collection from 1- 3 pm, Sunday, Nov. 29 at the Argentia Pavilion. The public is invited to participate in this worthwhile community project. Park your vehicle, take a stroll or hike the backland trails and donate non-perishable goods for the local food bank supply.

Every year, our community has a pressing need for food donations and in this year amid the Covid-19 pandemic and its economic impacts, the need is even greater. Our local food bank suggests a 30% increase in demand for food as families feel the pinch.

Port & Town is working together with the local food bank in planning and promoting the event, and collecting donations and delivery of product to Freshwater Community Centre for storage & distribution.
